

2023 A4C ANNUAL REPORT

23 November 2023

Dear Supporters,

The Ambassadors for Christ ministry connects people from all over the world and all walks of life to one common goal: spreading the Gospel in Zimbabwe through faith and works.

Below are the summarized details of what transpired this year and our future plans.

1. Trips Taken

This year, three trips were taken to Zimbabwe from the United States. These trips occurred in April, July, and November and were comprised primarily of board members as congregations were awaiting the return of the Mpofus before traveling.

2. Expenses

Our allotted budget for 2023 was \$1,000.00. With the trips being primarily Zimbabwe Missions board members in small groups and not having a fully-fledged locals program developed, costs were minimal at only \$94.00. This is expected to change dramatically next year, with up to 3 congregations visiting along with other small groups and the locals ministry.

3. Plans

In 2024, we may see up to 4 visits from congregations and small groups. We also want to have a fully developed local missions ministry up and running.

Thank you for your continued support, and please pray that this ministry may be evangelistic, educational, and full of encouragement for all involved.

Sincerely,

Katie L. Mpofu
