## 2023 C4C ANNUAL REPORT

22 November 2023

Dear Supporters,

Below are the summarized details of what transpired this year and our future plans.

### 1. Growth

The congregation now has an average attendance of 50 people. The church this year undertook leadership training sessions with the men and women of the church and the men have been involved in leading during church services. Two of the men of the church have enrolled with our Bible school for January 2024 intake.

### 2. Construction

In 2023 we built a toilet block, worship pavilion and a multipurpose two roomed house. We also installed a fence surrounding the whole church yard.

### 3. Church Programs

The church hosted a Gospel week and a ladies workshop where 107 and 55 people attended the programs respectively. In November the church appointed her committee members who will lead the congregation in the absence of Zimbabwe Missions.

### 4. Expenses

We started the year with \$5,500, spent \$4,310.00 and \$1,190.00 remains.

### 5. Future Plans

We look forward to continuing doing our leadership training sessions in preparation for Zimbabwe Missions exit. Lastly, we are looking forward to planting another congregation in Insuza, Lord willing.

Thank you for your continued support, and please pray that this ministry may plant more congregations in Zimbabwe.

Sincerely,
