

2023 H4C ANNUAL REPORT

23 November 2023

Dear Supporters,

The year 2023 saw the H4C ministry engaging in several activities that aimed at equipping people in the Lord's kingdom.

1. ASBM

The African School of Bible Missions opened briefly in the first term. Sadly with low enrollment, the school was put on hold due to low enrollment and will be opened in January 2024. Presently the school has been conducting activities to enroll new students for the 2024 class.

2. Workshop

The H4C program conducted three workshops in 2023: The Youth Workshop, Men's Workshop, and Women's Workshop in May, June and July respectively.

These workshops were highly accepted and attended by the church of Christ community in Bulawayo. These workshops were also used as a strategy to talk to people about the school and hopefully have them enrolled for the year 2024.

3. Future Plans

The H4C Ministry would love to conduct more workshops and host a Winter Lectureship to equip more people for the mission field.

We are ever so grateful for the support rendered by the Church of Christ in the Harvesters for Christ ministry here in Zimbabwe. The support will enable the church in Zimbabwe to be highly effective harvesters for Christ.

All glory to God.

Sincerely,

Gerald Dzuwanani
