### REF: LESSONS FOR COUPLES 2020 REPORT

To Whom It May Concern,

We truly believe that marriage lessons are critical in any congregation for the sake of the spiritual health of the body of Christ. We were privileged this year to host three marriages seminars at the Sipaba Church of Christ. The average attendance for these seminars was 60, and the attendees were made up of old and young individuals including both singles and married couples. The total amount spent on the program this year was **\$418.00** which is a good bit higher than the \$240.00 we intended to use for the Sipaba sessions. However, since we are no longer doing the Young Couples Retreat which is \$1,500.00 we still saved a lot more than we planned as we had budgeted \$1,740.00.

The following were the dates on which the seminars were held and the respective topics taught:

<i>29 August 2020</i>	<i><b>Biblical Basis for Marriage</b></i>
<i>10 October 2020</i>	<i><b>Marriage and Family Relationships</b></i>
<i>31 October 2020</i>	<i><b>Sex, Marriage, and the Bible</b></i>

On the last day, all those in attendance were asked to fill out a survey about the program. Both men and women found the lessons to be beneficial, and asked for such lessons to be repeated. Some requests made were to extend these lessons to the youth, and also to teach on marriage communication and conduct.

We cannot wait for next year's seminars at the new church plant. We ask for your continued financial support, but above else please keep us in your prayers as we look to the ministry ahead in the year 2021.

God Bless.
