REF: LESSONS FOR COUPLES 2022 REPORT

To Whom It May Concern,

The Zimbabwe Missions Team, in collaboration with the team from America, once again managed to host a successful marriage seminar at Mbembesi Church of Christ. As a team, we believe that marriage lessons are critical in any congregation for the spiritual health of the body of Christ. Thus the purpose of the seminar was to equip couples with skills for living in happy, harmonious, and Godly relationships that please the Lord. We are excited to report that we were able to host a successful couples lesson, and below are the summarized details of the L4C 2022.

1. Date and Demographics

The seminar was held on 09 July 2022. The attendance was very impressive and unexpected. We hosted 71 people; 61 adults and 10 toddlers.

2. Main Event

We had two sessions during our lesson; the first session was divided into two groups, one for ladies and the other for men. The second session was a combined one where couples were taught as a group. After the sessions, the congregants had snacks and fellowship, and then they were dismissed. The congregants remained seated after the lessons, expecting more lessons. They expressed that marriage seminars should be allocated more time, even if it means learning the whole day. A lot of gratitude was expressed to our team, and the lessons were appreciated since they gave them a different perspective on marriage from a biblical perspective.

3. Future Plans

We hope to host more marriage seminars and reach more couples from different regions of the country. We also hope and feel that more time should be spent on lessons like these since they build strong foundations of marriages, resulting in a strong foundation of the Church.

We are grateful for the financial support we receive that makes such initiatives a possibility. We, therefore, ask for your continued financial support, but more so your prayers as we look forward to continuing with this ministry next year. All glory to God.
