REF:SCRIPTURES FOR SOULS 2020 REPORT

To Whom It May Concern,

We are thrilled to inform you about all that has happened with the S4S program this year. This ministry has spiritually benefited a lot of individuals and their families across southern Zimbabwe. We hope the report below will give you a better picture of our excitement about the S4S program.

1. Bibles Distributed

This year we were able to distribute over 600 Bibles to different parts of southern Zimbabwe.

2. Beneficiaries

Many people who benefited from this program this year were mostly from the rural area congregations. We are pleased to inform you that 35 congregations were recipients of these Bibles.

3. Financial Report

In the year 2020, we spent \$1,499.20 USD for the program. These funds were mainly used for purchasing Bibles, for travelling to distribution areas, and for facilitating the program in general.

4. Feedback From Preachers

We cooperated with leaders of rural area congregations to help us in the distribution of Bibles to their congregants. They reported that these Bibles were very beneficial to their church members. The Bibles made members grow in the knowledge of our Lord because they can now read and search Scriptures on their own at their homes.

5. Future Plans

For the 2021 S4S Program, we hope to penetrate more regions in Zimbabwe. We plan on eventually distributing in the northern regions of Mashonaland where they predominantly speak the Shona language. We are also prayerful that we would also be able reach even other African countries with the S4S Program.

We give glory to the Lord for the work which was done in the year 2020. We are thankful for your support and your prayers which made the program successful. We kindly ask you to continue praying for the 2021 S4S Program. God Bless.
