

PROGRAM OVERVIEW REPORT

REF: SCRIPTURES FOR SOULS 2022 REPORT

To Whom It May Concern,

We are so thrilled to inform you about all that has happened with the S4S program this year. This ministry has spiritually benefited a lot of individuals and their families across southern Zimbabwe. The report below highlights all that happened in the Scriptures for Soul 2022 program.

1. Bible Distributed

This year, we distributed 500 Bibles in the region of Matabeleland, of which 390 were Ndebele, 60 Tonga, and 50 Venda Bibles.

2. Beneficiaries

Most of these Bibles were distributed in rural area congregations. We are pleased to inform you that 25 congregations were recipients of these Bibles.

3. Feedback from Preachers

We collaborated with leaders of rural area congregations to help us in the distribution of Bibles to their congregants. They reported that these Bibles were very beneficial to their church members. Therefore, they still need more Bibles as they continue preaching and bringing new converts.

4. Future Plans

In 2023, we are looking forward to distributing in Bulawayo before we exit Matabeleland. We plan on eventually distributing in the northern regions of Mashonaland, where they predominantly speak the Shona language. We are so prayerful that this plan will be a success.

We give glory to the Lord for the work done in the year 2022. We are so thankful for your support and prayers, which made this program successful. Please continue praying for the 2023 S4S Program. God Bless.
