REF: WHEELS FOR MINISTERS 2020 REPORT

To Whom It May Concern,

We are so excited to inform you about all that has happened with the W4M program this year. The program assisted rural areas ministers so that they can have a means of transportation as they do their ministerial work. A three day seminar was held on September 10th-12th where preachers were equipped with knowledge and bicycles.

1. Bicycles Distributed

Nine bicycles were distributed. In addition to bicycles, each preacher was given a Bible after completing the seminar.

2. Beneficiaries

Nine preachers benefited from the W4M Program. Four preachers were from Matabeleland South and five were from Matabeleland North.

3. Seminar

The seminar was held in the Zimbabwe Missions offices with the goal of boosting their mission work knowledge. Classes were presented on missions in the Old and New Testament as well as panel discussions on a preacher and his work.

4. Financial Report

\$1,783.00 USD was spent for the whole W4M Program. Each bicycle cost \$155.00 and each Bible cost \$9.00.

5. Feedback

The preachers were very thankful to receive the bicycles and Bibles. They also felt a longer seminar would be beneficial.

6. Future Plans

Our plan is to help ten more preachers in 2021 through the W4M Program. In response to their feedback, we plan to extend the seminar to four days.

We are thankful for your financial support which made the program possible. We kindly ask you to continue praying for the W4M Program. We look forward to continuing to partner with you in the Lord's work in 2021. God Bless.
