

ZIMBABWE MISSIONS

Eagerly Sharing Jesus Through Faith & Works

A NEW BIBLE SCHOOL FOR ZIMBABWE

The school is finally here! Since last year, we have been praying and preparing to officially open the African School of Bible Missions. The aim of the school is to educate and equip current and future generations for the mission field. We are grateful that the Ministry of Higher and Tertiary Education in Zimbabwe has accredited us to teach biblical studies by offering both a certificate and a diploma in Pastoral Studies. ASBM falls under the

Harvesters4Christ ministry whose main aim is to equip many brothers and sisters as they strive to be labourers in the plentiful harvest (Luke 10:2). We hope to revive a local heart of missions and provide training in efforts to groom more mission minded followers of Christ, both across Zimbabwe and beyond.

For our first class, we were able to enroll 9 students who are all pursuing a certificate in Pastoral Studies, and some are hoping to continue on with the diploma coursework. ASBM officially opened on the 20th of September 2021. Br. M. Muchingami, Director of Bear Valley Bible Institute Zimbabwe, was the guest speaker.

VICTORIA L. NCUBE

We are very excited to introduce our new teammate here at Zimbabwe Missions. Everyone, meet Victoria L. Ncube! She is a native of Bulawayo who joins us as the Receptionist. She holds a certificate and higher national diploma in Tourism and Hospitality Management.

SIOBHAN Y. GATORA

Meet also our newest member of the team, Siobhan Yolanda Gatora! Sr. Siobhan is from Harare, Zimbabwe. She got her Bachelors in Political Sciences with Honors from Midlands State University. Siobhan is currently a Program Assistant with particular emphasis on the H4C ministry by being the administrator of the newly established ASBM.

The Second Annual Wheels4Ministers Seminar

It is always encouraging to see so many men of God who are eager to share the Good News with others. This year we had eleven

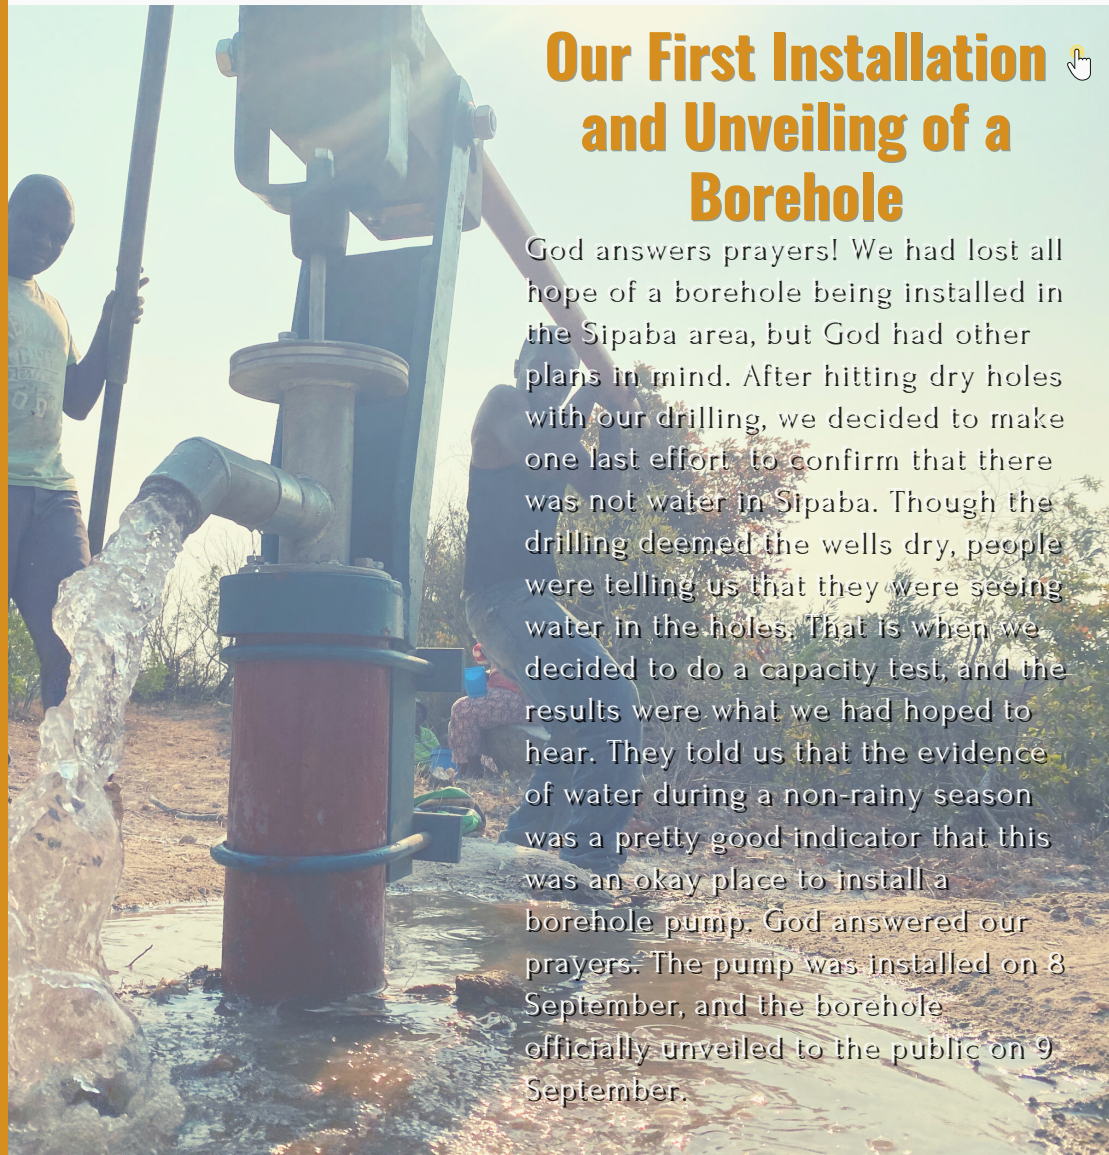

Br. Mathe (L) and Br. Ncube (R) pose at Sipaba Church of Christ with their new bicycle.

preachers in attendance. The seminar this year was extra special for us because the preachers at our current church plant (Sipaba church of Christ) were among the beneficiaries. Br. Mathe and Br. Ncube, pictured to the left, have been a blessing to the Sipaba church. The seminar afforded them the opportunity to interact with other fellow preachers, and it also armed them with tools to help them in their mission field. Br. L. Ncube, a local missionary, gave the word of admonition at the conclusion of the seminar.

Our First Installation and Unveiling of a Borehole

God answers prayers! We had lost all hope of a borehole being installed in the Sipaba area, but God had other plans in mind. After hitting dry holes with our drilling, we decided to make one last effort to confirm that there was not water in Sipaba. Though the drilling deemed the wells dry, people were telling us that they were seeing water in the holes. That is when we decided to do a capacity test, and the results were what we had hoped to hear. They told us that the evidence of water during a non-rainy season was a pretty good indicator that this was an okay place to install a borehole pump. God answered our prayers. The pump was installed on 8 September, and the borehole officially unveiled to the public on 9 September.

The Plans for a New Church Plant: Mbembesi

Our goal is to plant churches that belong to Christ, and we are so thrilled about the opportunity to do that in the Mbembesi area in the Matabeleland south region. On the 2nd of July we sat down with "Najuju" to discuss our plans of a church plant in her area. Najuju has longed for a "church of Christ" to be planted in her home village.

The Zimbabwe Missions Team meets with Najuju (C)

After meeting with Najuju we made plans to meet with the Village Head, Mr. Tshuma. That meeting would later take place on the 25th of August. Mr. Tshuma was very welcoming to the Zimbabwe Missions team, and he gave us a green light to go around his village sharing the good news. He expressed his gratitude for organizations such as ours and commended us for the work we are doing of sharing Jesus. We are humbly asking for your prayers

as we begin this new effort. We plan on going around the village on the 7th of October inviting people to church. Our first Sunday service is scheduled for the 17th of October.

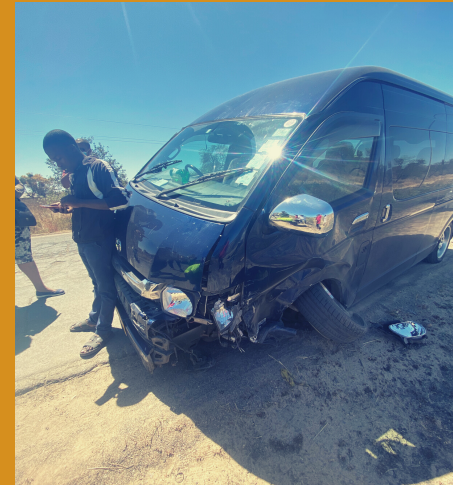

Celebrating Our 3rd Year Work Anniversary

On the 28th of September 2018, Nkosi and Katie, along with Tiana, landed in Zimbabwe marking the start of the Zimbabwe Missions efforts. Three years later, we now have a team of seven on the ground. Khulekani, Thandekile, and Gugulethu celebrated one year of being with the team. We are grateful for the nine congregations and numerous individuals supporting this work. We look forward to many more years of faith and works.

BIBLES FOR BEITBRIGE

80 Bibles we distributed at the Beitbridge Central church of Christ. We are very grateful for this program that equips the members of the church with the Word of God.

UNFORTUNATE CAR WRECK

We are saddened to inform you that the Zimbabwe Missions van was involved in a car wreck recently. We thank God no one was hurt during the accident. We are currently waiting for the police report which is taking a long time. We will keep you updated as we get more details. We covet your prayers.
