Eagerly Sharing Jesus Through Faith & Works

## FROM HOMESTEAD *to* CHURCH-STAND

Many churches gather worldwide, and their meetings take place anywhere from simple to super structures. No matter the place of meeting, what is always of greater importance is the church itself, the people! The Mbembesi Church of Christ is grateful to the Dube family that opened their homestead so we could conduct worship services. Their role in establishing the Mbembesi Church of Christ will forever be cemented in history as a vital act of kindness that made it possible for the church to meet in the Mbembesi village.

On the 28th of August, following our worship services, the Mbembesi church recognized the Dube family for their contribution towards establishing the Mbembesi church. Najuju received a certificate of appreciation from the church on behalf of her family. The church has now been blessed with a stand and has begun meeting there. The members have cleared the land in preparation for the eventual construction of a bathroom, a kitchen, a storeroom, and a pavilion for church gatherings on the church grounds. A well will also be drilled on church grounds with plans of a vegetable garden next to it. Please continue to pray for the Mbembesi church.

# GLOVERS *Visit* ZIMBABWE

William and Emily Glover took a mission trip to Zimbabwe from the 1st to the 17th of July. Their trip marked the second Ambassadors For Christ trip this year, and the Glovers brought their daughter and William's parents along with them. The trip focused on the Harvesters For Christ, Scriptures For Souls, and Lessons For Couples ministries.

Under the H4C ministry, William was occupied with two classes at the African School of Bible Missions. He taught the CER B02 Pastoral Care and Counseling and CER B05 Spiritual Formation subjects.

Additionally, the Glovers conducted a marriage seminar at the Mbembesi Church of Christ. The seminar was well attended, with 71 people in attendance. They also managed to help distribute Bibles to three congregations around the Victoria Falls area.

## ZIMBABWE MISSIONS *at* FREED-HARDEMAN'S MISSIONS EMPHASIS DAYS

Zimbabwe Missions was invited this year to participate at the Freed-Hardeman University's annual Missions Emphasis Days. Nkosi went to the event and, while there, got the opportunity to speak during chapel, present the work during two class sessions, and give a devotional talk to the FHU Missions Group. The Missions Group wrote notes of encouragement for the ZM teammates in Zimbabwe. We are grateful to FHU for inviting us.

# AFRICAN SCHOOL of BIBLE MISSIONS

A lot has taken place at our school recently, and we wanted to give an overview of all the recent highlights.

## 2023 Enrollment

We are now getting ready for the 2023 school year, and our team has been busy advertising the school to the Churches of Christ around Bulawayo. We are hopeful about the 2023 intake, and we covet your prayers.

## Open Day At ASBM

To advertise our school, we put together our first ASBM Open Day; an event meant to show prospective students what a typical school day looks like. All our guests attended chapel and sat in classes.

They also met with the admissions personnel for any inquiries about the school.

## ASBM Students In Action

We are very proud of our students, who are eager to learn and willing to put what they have learned into practice. Our students led worship services and preached in six different congregations, and they also participated alongside the Zimbabwe Missions team in the Mbembesi Church of Christ feeding ministry.

## A Note Of Thanks To Instructors

We could not do what we do as a school without our instructors, and they understand the school's mission and want to see the students succeed in His mission! We want to thank Nathan Diller, William Glover, Munashe Chihota, and Matthew Muchingami, the Bear Valley Bible Institute of Zimbabwe Director. We also want to say special thanks to our very own teammates, Cathy and Patie, for also teaching some of our non-bible classes.

Please keep ASBM in your prayer as we aim to equip the saints for His mission!

## ANOTHER SUCCESSFUL WHEELS FOR MINISTERS WORKSHOP IN THE BOOKS

We have now distributed 30 bicycles to various rural area preachers in Zimbabwe. This year Khulekani Dube did most of the teaching at the workshop since the Mpofus are still not back in Zimbabwe. An additional session concerning being the best stewards of the blessing God has bestowed upon us was added to the program. Please keep these ministers in your prayer as they share the good news in their areas!
