

ZIMBABWE MISSIONS

- Serving The Lord Through Evangelism, Encouragement, and Education

Visiting the USA

On arriving there, they gathered the church together and reported all that God had done through them and how he had opened a door of faith to the Gentiles. - Acts 14:27

On May 26th we journeyed back to the United States to give a report on the progress of the work here in Zimbabwe, as well as visiting with family and friends. Our goal for this trip was to report back to our current supporter, but to also see if we could find any additional financial support. We are pleased to inform you that we gained one more congregation that has pledged to help us on a regular basis, Forsyth Church of Christ in Forsyth, MO. It was so great to see family, friends, and all our supporters. We are now back in Zimbabwe to continue the efforts to further His kingdom. We humbly ask that you continue to keep us in your prayers.

Thank You
Your financial help is great appreciated

ZIMBABWE MISSIONS FUTURE PLANS

In the next five years we hope to...

- Continue an annual young couples retreat
- Distribute at least 2,000 Bibles to our brethren in the rural areas.
- Plant more congregations in Zimbabwe

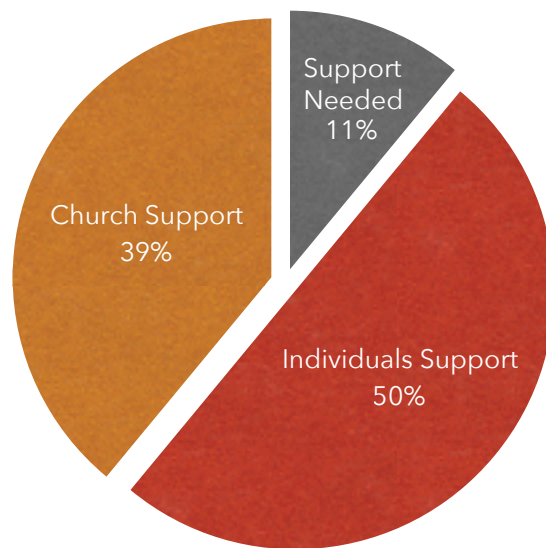

Of course all the above goals and others would be futile without the blessing from our Lord, "so if the Lord wills, we will live and do this or that" (James 4:15). We are optimistic about the future and we pray that our future plans will bring only glory to our Lord.

THANK YOU

Your financial support is greatly appreciated

Last year, just before we left for Zimbabwe, we were lacking about 48% of our desired support. We are extremely excited to inform you that we now lack only 11%. God is continually opening doors, and please pray that this continues. Our plan is to hopefully have all our funds secured by the end of this year, Lord willing. If there are any congregations you know of that are looking to support additional missionaries, please consider submitting our names. Thank you for your partnership in this work.

All your financial support is helping our family with our daily expenses, but more importantly is helping with all the different missions efforts we are involved with. We want to take this opportunity to recognise all the individuals and congregation contributing to this work. May God bless you all for your generosity!

BIBLE DRIVE UPDATE

We want to give you an update on the Bible drive that was recently held and the fruits that have been produced by your generous donations. So far we have distributed about 100 Ndebele and Shona Bibles to the brethren in Zimbabwe. We have circulated them where we serve as well as at other areas, including another rural church, Hayhill Church of Christ.

Our plans are to distribute more Bibles to the rural area brethren as most of them do not have any means of purchasing their own Bibles. We have bought an additional 250 Bibles, and plan on getting several more. Please be praying for this project!

CELEBRATING OUR RISEN SAVIOUR WITH BRETHREN

We were excited to have a combined worship service with other rural area churches of Christ as we celebrated the death and the resurrection of our Lord. We were joined by three surrounding rural area congregations, and after our services we enjoyed a fellowship meal together. With nearly one hundred in attendance at this year's Easter Sunday, it was definitely an encouragement to our young congregation and its congregants. Please continue to pray for the Amazon church of Christ.

ZIMBABWE MISSIONS TEAMMATE HIGHLIGHT

KELLEY FIELD

Kelley is a vital member of our team. She is from Milan, TN and a recent graduate of Freed-Hardeman University. Kelley first came to Zimbabwe in 2016 during a missions trip we organised. She fell in love with Zimbabwe and expressed her desire to help in any way she could while Stateside to see the Lord's work continue in Zimbabwe. We then asked Kelley to take on the responsibility of mailing our newsletters to all our supporters, and she gladly agreed! We all know the importance of communication and Kelley is that bridge between us and our supporters. We just wanted to highlight Kelley and all the efforts she makes for the work in Zimbabwe. Thank you, Kelley!
