

# ZIMBABWE MISSIONS

– Serving The Lord Through Evangelism, Encouragement, and Education –

## Raising Support

We have been busy trying to raise funds for the upcoming work. The funds we are raising are for our salary while we are working in Zimbabwe and at the Amazon Christian Academy.

The responsibility of raising the funds for the construction of the school falls on Dorian Flynn. Please pray for Mr. Flynn as he continues with his mission to build ACA. Our task is to fundraise for our salary while we work at the school. Our salary will enable us to work worry free as we run the school, engage with the community, and plant a local congregation on the school grounds.

Currently, we are going through the churches of Christ directory and reaching out to friends as we try to raise awareness and funds for our work. We are pleased to inform you that we have now created a **GOFUNDME** account for our one-time expenses. Please visit our website or Facebook page and share our work with others. We are still looking for more support, and we are optimistic that the Lord will provide through the help of others.

Finally, if you know of a congregation that is looking to support someone, or the congregation you attend is in a position to help us out, please let us know. We are prepared and willing to go visit those desiring to partner with us to talk about the work. Please continue to keep us in your prayers!

## Zimbabwe Day

On March 11th we hosted our first ever Zimbabwe Day at our sponsoring congregation, Southwest Church of Christ. Dorian Flynn was the special guest that Sunday. He taught a combined Sunday morning class where he gave a big picture of the work taking place in Southern Africa and just how Katie and I fit into all of this work. He then gave the lesson during the worship service. Later that evening I presented specifically on what Katie and I will be doing in Zimbabwe. It was great day that helped a lot of people to get a better picture of the Lord's work taking place in Zimbabwe.
